

Outstanding Student Award Nomination

in
Commercial Art
Graphic Design
and Printing Classes

The Graphic Arts Council of Cleveland established this award to recognize the efforts of the selected student and to encourage their interest in further education and future career opportunities available in the Graphic Communications industry.

The winner of this award is to be selected by their respective instructor and nominations are to be submitted to the principal. Principals are asked to make the final selection and submit **one** student's name to The Council as the Outstanding Graphic Student from your school.

The winner of the award will be honored at the Graphic Arts Council's annual Hall of Distinction ceremony, which will be held in mid January.

It is intended that the Graphic Arts Council, through this recognition program will play a significant role in the future growth of our industry.

Deadline: December 9
